Dear Business Administrator,

Atlanta Growing Leadership Of Women, Inc. invites you to become a Corporate Champion! Our Corporate Champions program is designed for corporations and local businesses who believe that good corporate citizenship involves supporting charitable endeavors like ours that are impacting the community. Your collaboration is valued and important as it helps us strengthen the capacity of services that we are able to offer to economically vulnerable young women and girls in the metro Atlanta community, helping to move them to economic self-sufficiency and giving them a foundation to help lead others the same.

As you might have discovered, Atlanta GLOW's mission is to encourage, educate and equip young, low-income women to be thriving, self-sustaining leaders and effective agents of economic growth within their communities. We envision a world in which all women and girls are fully empowered to pursue their dreams and shape their desired reality on their terms, free from all structural barriers created by racism, sexism and ageism and other forms of discrimination. We recognize that girls of color hold particular vulnerabilities because of their age and other intersecting identities; and yet they also hold immense power to drive transformation. At the same time, girls of color are often invisible across funding priorities, efforts to address policy change, and in systems and programming. Therefore, we believe that investing in building the power of girls and responding to their vulnerabilities is critical to creating meaningful change with and for them, their communities, and this country.

That said, in joining our dynamic community of movement makers, you will be linking hands with us on our journey to help make sure all women are healthy, safe and thriving, which builds a more prosperous world for us all. So, would you consider partnering with us and unleashing your organization's capacity to create meaningful change? We have taken thought to offer various levels of sponsorship with hopes that one of them may fit your desired level of affiliation and participation with our organization. Enclosed you will find a table of sponsor benefits, terms, as well as a Sponsorship Pledge, should you be interested in moving forward. If you have any questions or concerns, please do not hesitate to contact us using the contact information provided on the cover page of this sponsorship package and we would be happy to assist you. Thanks in advance for your consideration and championship of our mission!

Sincerely,

Ashlie James,
Founder and Executive Director
